WORK EXPERIENCE

Beijing Qianxiangwangjing Technology Co., Ltd.

09/2022 - 04/2023

Product Manager

Led end-to-end product development and community operations for a navigation app focused on the North America market. Coordinated cross-functional teams spanning engineering, design, and operations, authoring 30+ PRDs and ensuring projects progressed on schedule from requirement analysis through release. Established a closed-loop feedback system integrating user insights, engagement metrics, and weekly cross-functional reviews, leveraging POI data analysis to prioritize feature development and drive measurable improvements to user experience and app stability.

Beijing Zhidou Technology Co., Ltd.

Product Manager:

11/2021-09/2022

- Led requirement analysis and coordinated development projects for a B2B SaaS platform, authoring nearly 100 PRDs and working closely with technical teams to ensure timely delivery. Led cross-functional coordination for a competitor product acquisition project, managing stakeholder alignment and overseeing data migration and system integration.

Marketing Specialist:

03/2021-11/2021

- Developed English content and marketing materials to support product adoption, writing 300+ blog posts. Led the planning and launch of the internal Help Center after competitor benchmarking, reaching 30k monthly page views and 10k+ MAUs.
